 Includes *On My Walk* book by Louise Framst, three IntelliPics activities (On My Walk story retelling; Easy Walk Book; and 5 Little Butterflies) and 20 + setups related to the story, divided into: *Guided Reading (3 story responses, extension activities) * Self-Selected Reading / Listening: story displays * Sound Play: Tongue Twisters; Rhyming Fun * Writing: 3 poems; 2 story constructions; chart, list

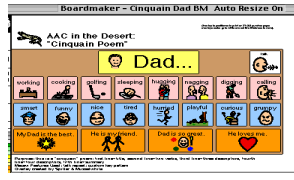

RAPS Suite CD # 1 (Musselwhite & Learning Magic, Inc.)

Platform: Mac / PC **Activities:** Classroom Suite, PDF's to print (Print your own overlays)
 This software set supports three of the stories in the R.A.P.S. book by Southwest Human Development, edited by Caroline Musselwhite - Cash for Trash, Looking Great, and Pizza Today! The core of each is an IntelliPics file for story retelling with printable overlay. For each story, there are also at least 30 support activities, divided into the areas of Guided Reading (story retelling displays); Self-Selected Silent Reading (4 easy stories or poems); Writing (invitations, thank you, poems); Word Study (Making Words, WordBuilding).

Poetry Power Suite CD (Musselwhite & Wagner)

Platform: Mac / PC **Setups:** Classroom Suite **Book:** Poetry Power Book (pdf file)
 This software set presents hundreds of setups for students to listen to poems (IntelliPics, Scan 'n Read) and to create their own poems (Classroom Suite, Overlay Maker). Many poem forms are provided, including: list, acrostics, poetry construction, poetry parody, 3 x 3 poems, poetry starters, and more.

Sequenced Social Scripts CD (Musselwhite & Burkhart)

Platform: Mac / PC **Book:** Can We Chat (pdf file to print)
 This software set presents materials to support the book *Can We Chat*, including: communication displays, more than 125 sample social scripts, tech ideas for devices, case examples, and make-it plans.

Write to Talk Suite CD (Musselwhite & Hanser)

Platform: Mac / PC **Setups:** Classroom Suite **Book:** Write to Talk (pdf file to print)
 This software set presents scores of writing templates for emergent and early writers who struggle. It also includes: 8-flip writing display, handouts, case examples, and make-it plans.

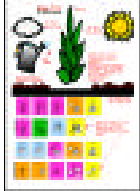

Out & About CD (Wagner, Musselwhite, & Odom)

Platform: Mac / PC **Book:** 20-page pdf print: WHY, WHO, WHAT, HOW to set up community groups
 Case Examples: 12 + case examples, in SETT format; Materials: Games, playlets, and interviews to support AAC users in learning and practicing device vocabulary; Forms: Sample planning forms (invitations, checklists) and data collection forms; Videos: 15+ videos with video notes; Tech Tips: tips for multiple AAC devices.

SINGING TO LEARN CD (Musselwhite & Keeney)

This software set provides materials to support learning through music across ages (toddler to secondary special ed songs) and topics (baby play through growing plants). It offers:
8 IntelliPics Single Switch Songs: 28 onboards to Print: What Is It, Hibernation, Laundry Song, Recycling Song, etc. Each songboard includes pdfs for: layout, symbols, props, scene, goals & text. **Make It/ Take It Projects:** Handouts, Websites, and more!
